Sir:

RECEIVED
AUG 01 2003
GROUP 3600

RESPONSE TO SUPPLEMENTAL RESTRICTION REQUIREMENT

In a restriction requirement dated April 30, 2003, the Examiner required restriction under 35 U.S.C. § 121 between three groups of claims: Group I containing claims 1-14, Group II containing claims 15-84, and Group III containing claims 85-113. The Examiner issued this Supplemental Restriction Requirement because the initial Restriction Requirement, mailed November 29, 2002, erroneously omitted claim 15.

As requested in a previous response dated February 26, 2003 (which was responsive to the initial Restriction Requirement of November 29, 2002), Applicants provisionally elect to prosecute Group II, claims 15-84, characterized by the Examiner as drawn to methods and apparatus for illuminating, focusing, and transmitting with a conversion of information to digital.
